WELCOME

It is our great pleasure to welcome you to Cphbusiness. We would like to introduce you to your student organisation: Cphbusiness Students.

We are one of the largest student organisations at the business academies in Denmark. Together we form an organisation of more than 5,000 students.

Our goal is to create a valuable academic and social study environment at Cphbusiness alongside your studies. We find it very important to offer both business and social activities to enhance your experience at Cphbusiness. We strive to offer you as many exciting activities as possible. Such as company visits, Friday bars, semester parties, sport competitions and much more.

We are excited to meet you and look forward to seeing you at all our upcoming events.

Best regards,

Sebastian Pilgaard,
Chairman of Cphbusiness Students

THE STRUCTURE

The Board is the student organisation's connection point. They are the ones who make sure that the organisation runs smoothly.

The Finance Department manages the economy of Cphbusiness Students, which includes making budgets and approving payments.

The HR Department is your first connection point to Cphbusiness Students, as this department takes care of recruitment and the general overview of volunteers.

The Communication Department works with all the external communication to the students which involves: social media, posters, newsletters, photography and filming.

The Business Department works with large companies to create a link between the academic and the business world as well as getting sponsors and partnerships to work with the student organisation.

The Event Department is all about bringing the students together through various social events. From partying with neon face paint to crossing the lakes in a duck suit: there are no limits!

The Bar Department is here to make all your Friday Bars fun-filled and unique and is there to ensure that you have the perfect end to a long and busy week.
